

*Our nursery sells plants year round.*

# The Garden Mart

## **The GardenMart Services**

### **Plant Concierge Service**

This includes us traveling to your house, an interview with our consultant, photos, and an appointment at **The GardenMart** to pick-out plants, plus a check-up after the plants have been planted within 2 weeks. This is regardless of us or you planting them.

*Consultant Fee \$75.00*

### **Plant Sales (with Concierge Service)**

The GardenMart plant cost is retail pricing with a *\$25 credit* deducted from plant purchases when working only with our concierge service.

### **Containers**

They give you more options for both color and space. You can buy them or leave them for us to plant and deliver.

### **Plant Care & Replacement**

We can trim, remove dead heads, fertilize or replace your plants for year round beauty.
